

Why Windows Server 2016?

- Windows Server 2019 Just Released Oct, 2018
- Lots of organizations still use Windows Server 2012 & 2016
 - Organizations don't typically adopt new versions just because they're released.
- It's End of Life Dates:
 - **Mainstream Support:** Jan. 11, 2022
 - **Extended Support:** Jan. 11, 2027
